

20/20

Assignment

Design an environment for 20 Books, 20 years in the future.

Deliverables

Two (or more) representations of an imagined environment.

Communicate your project's unique accommodation for (at least):

- a.) Finding knowledge
- b.) Consuming knowledge
- c.) Another library function (of your choice)

Expectations for Exercises

- Bring digital and/or physical copies of your project to class
- Be prepared to present your work for discussion
- Projects may be shared on our public blog

Possible Forms

- Physical models (with accompanying photographs)
- Images
- Collage
- Audio
- Short video
- Storyboard
